

# Certificate

Certificate No.: 37977-1-04

First delivery date: **October 31, 2007**

Expiry date: **December 22, 2013**

The Bureau de normalisation du Québec (BNQ) certifies that the quality management system implemented by:

## SILICYCLE INC.

covering the following activities:

**Design, manufacture and marketing of silica based products: irregular, spherical, angular and functionalized silica gels, cartridges for chromatography and solid phase extraction, HPLC columns, thin layer chromatography plates, and accessories**

carried out at the address:

**2500, boul. du Parc technologique, Québec (Québec) G1P 4S6**

has been assessed and found to comply with the requirements of:

## ISO 9001:2008

This certificate is issued in accordance with BNQ procedures.  
Its validity may be verified at the address [www.bnq.qc.ca/certificates](http://www.bnq.qc.ca/certificates).

In testimony whereof, have signed in Québec, on December 9, 2010,

Jean Rousseau, assistant director  
Bureau de normalisation du Québec

Jocelyn Brousseau, program manager  
Bureau de normalisation du Québec

The BNQ program related to this management system certification is accredited by the Standards Council of Canada. Further clarifications regarding the scope of this certificate and the applicability of ISO 9001:2008 requirements may be obtained by consulting the organization.

This certificate remains the property of the BNQ and could be withdrawn from the company in accordance with BNQ procedures.

BNQ is a member of the  
National Standards System
